TO : The Director

DATE: 4-13-64

FROM : N. P. Callahan

SUBJECT: The Congressional Record

Pages A1782-A1784. Congressman Harding, (D) Idaho, extended his remarks concerning John Birch Society activities in Idaho. He included two editorials from the Idaho Evening Statesman and several "Letters to the Editor" with his remarks. Mr. Harding pointed out that "my attempts to warn Idahoans of this extremist group had been ridiculed by the editorial and political writers of Idaho's largest paper until Wednesday, April 1." The April 1st editorial "The Extremists Speak" reversed an earlier editorial and came out in opposition to the John Birch Society. This editorial stated "The avowed purpose of any group to fight communism within the United States is laudable, but only when the fight waged is honest and judiciously waged. The Federal Bureau of Investigation is the responsible, trained agency in this country to so wage the fight—not the John Birch Society - - -." In a letter to the editor from Mary Jane Root, reference is made to the April 1st editorial. Miss Root comments on remarks of former Congressman Rousselot on the civil rights bill. She states "Talks which I have heard by refugees from enslaved countries, as well as talks given by ex-FBI agents on the same subject, corroborate what Mr. Rousselot said about the civil right's bill's being used as a tool by the Communist conspiracy to divide and conquer us. You referred to the FBI yourself as an authority, and Mr. Rousselot quoted J. Edgar Hoover, head of the FBI, in the documentation which he gave."

Page 8207. Senator Church, (D) Idaho, spoke concerning the activities of the John Birch Society in Boise, Idaho. He stated "A chief spokesman of the Birch Society recently invaded the valley to spread their customary smear regarding the pending civil rights measure. The Idaho Daily Statesman rose to the occasion: In an editorial sparkling with the independence of the Western spirit, it debunked the fear-mongering, malignant methods of the society and its leaders." Mr. Church included the newspaper editorial with his remarks. The editorial, in commenting on the war against communism, stated "The Federal Bureau of Investigation is the responsible, trained agency in this country to so wage the fight—not the John Birch Society, which sees a Communist under 'every bed' of political activity in our realm, which splits religious groups, which divides good citizens—those who agree with Birchism and those who do not, with the latter tabbed as 'pinko' or 'red.'"

By letter dated 3-31-64 captioned individual wrote the Director and requested information on how she might obtain permission to have printed copies of your reports and excerpts from "Masters of Deceit?" She further requested a list of extreme right-wing groups. The Chicago Division advised that one [REDACTED] resides at [REDACTED] and has a second listing reflecting he is an attorney with offices at [REDACTED] Chicago indices reflect [REDACTED] appeared at the Chicago Office on 2-26-63 and stated he had become extremely interested in communist activities and has read many books on the subject including those written by the Director. He stated he felt as an American citizen he would like to help fight communism and his purpose in going to the Chicago Office was to offer his services.

[REDACTED] advised he was primarily concerned with the large number of groups and organizations which he described as having communistic tendencies in the North Shore area near Chicago. He identified one of these groups as the Human Relations Committee in Glenview. He stated that the Committee had caused a controversy by claiming a real estate "conspiracy" was discriminating against "Jews" buying homes in Glenview. It was his opinion that this Committee might have a subversive element in its membership based on the above.

On reinterview [REDACTED] reiterated the above claim and expressed a view that organizations like the John Birch Society were doing a good job. He stated he felt that although he was sympathetic he could not join such organizations without endangering his family and future. It is the opinion of the interviewing Agents that [REDACTED] had strong leanings toward the John Birch Society.

In her letter to the Director, captioned individual made reference to a publication known as "The Wanderer." Chicago indices reflect that a publication known as "The Wanderer" is printed by the Wanderer Printing Company, 128 East 10th Street, St. Paul 1, Minnesota. A copy of this publication dated 10-19-61 was reviewed and found to contain a number of articles opposing communism.

OBSERVATION:

It appears from the above that captioned individual and her husband are at least sympathetic to the views of the John Birch Society and the possibility exists that should permission be given to reprint the Director's articles or portions of his books, such reprint material might be used in such a manner as to indicate that the Director supports the views of the John Birch Society or its membership.

THE CONGRESSIONAL RECORD

The Congressional Record for Thursday, April 16, 1964, has been reviewed and the following items contained therein have been noted for your attention.

HOUSE

Page 7889. Congressman Waggoner, (D) Louisiana, spoke concerning an article written by Joseph Alsop entitled "An Unhappy Secret" which appeared in the Washington Post on April 15, 1964. Mr. Waggoner stated "In it, he finally admits what many of us have been saying for months and years: that Communists have infiltrated the so-called civil rights movement. He hastens to say that anyone who said so prior to yesterday's Post is a racist, but from yesterday on, it is okay to admit that Communists are in control because he, Alsop, now admits that they are." The text of the article was set forth in the Record.

Adjournment: Until Monday, April 20, 1964, at 12 noon.

SENATE

Pages 7898 - 7899. Senator Kuchel, (R) California, spoke concerning the John Birch Society. He included an article from the Washington Daily News of April 15, 1964, entitled "Birch Bark" written by George Clifford and Tom Kelly, and an editorial from the March 8, 1964, issue of the Fargo (North Dakota) Forum captioned "Birchists Crawl Into Holes; Let's Hope They Stay There." Mr. Kuchel pointed out that this article and editorial "show how low, how vile, how cruel, and how false these extremists are."

By letter dated 4/10/64 [redacted] "The Sacramento Union," 1910 Capitol Avenue, Sacramento, California, expressed alarm about the progress of the John Birch Society (JBS) in influencing citizens under the possible guise of a conservative movement. [redacted] believes the time has come when the Bureau might have a basis broad enough to investigate this "dangerous plot." He offered to furnish the Bureau data in his possession. He noted that if this matter is outside the Bureau's jurisdiction, he understands our position. [redacted] is on the Special Correspondents' List and has been a strong supporter of the Bureau.

[redacted] was advised a representative from our San Francisco Office would contact him and San Francisco was instructed to immediately contact him for any information he desired to volunteer and to take care not to indicate the FBI is investigating the JBS. [redacted] was interviewed and repeated substantially the same information as set out in his letter 4/10/64; alleged JBS while claiming to be conservative is actually designed to effect a radical change in our philosophy in Government; and stated the JBS operates as an autocratic group with leaders chosen from the top and those who don't agree with its leader, Robert Welch, are forced out of the Society. He discussed various activities of the Society in attempting to show that the organization and its activities should be investigated.

[redacted] expressed the hope the activities of JBS could be completely investigated by the FBI. [redacted] was advised the FBI is strictly an investigative agency, its not an FBI function to evaluate information regarding organizations and such information is furnished to the Department of Justice for consideration.

REC-114
62-1044012132

We have never investigated JBS but any information received deemed to be pertinent or of interest to the Department has been disseminated to the Department. In the past, the Department has advised that in the absence of information indicating the activities of JBS are in violation of any Federal statutes over which the Bureau has investigative jurisdiction an investigation of JBS was not desired.

JOHN BIRCH SOCIETY

JOHN BIRCH SOCIETY

[redacted] The Sacramento Union (daily newspaper in Sacramento), 1910 Capitol Avenue, Sacramento, desired to furnish the following information and observations as possibly being indicative of the danger to our present form of government from the John Birch Society.

[redacted] stated that this society is capable of misleading decent conservative Americans into believing that it is conservative, whereas this society is actually designed to effect a radical change in our philosophy in government.

[redacted] noted that the Birch Society operates as an autocratic group with leaders and policies selected and promulgated from the top and without regard for the wishes of the membership. Members are allegedly not allowed to repudiate statements expressed by ROBERT WELCH and if they do not indicate full accord with his pronouncements, they are forced out of the society. *Texas*

[redacted] claims that [redacted] a representative of the John Birch Society, admitted in Sacramento that this was the case. *Calif.*

[redacted] in a talk in Sacramento, also said that disarmament was a "KENNEDY plot" and that in keeping with a "3 step KRUSCHEV plan" at the time the third step was reached in disarmament, the United Nations would have control of the only armed forces in the world. [redacted] continued by alleging that the United Nations was definitely a captive of the Communists.

[redacted] reported that the Anti-Defamation League had reportedly quoted ROBERT WELCH as stating that the John Birch Society is currently operating on a budget of \$2,000,000 per year and has doubled its number of full time paid organizers. [redacted] noted that this alleged budget figure probably did not include the sponsors of such radio and television programs as that run by DAN SMOOT and others of this type.

*Original
of [unclear]

[] said that he had information from a source that he did not wish to identify, to the effect that an acquaintance of ROBERT WELCH, DAN SMOOT, and [] had claimed that he had, approximately three years ago, attended a conference at SMOOT'S place in Texas when WELCH, [] and [] were also in attendance. The main topic for this conference was alleged to be a discussion of whether the John Birch Society would continue its activities as a third party or if they should select a new course within the framework of the Republican Party. It was allegedly decided that they should devote all of their efforts toward capture of the Republican Party. This same source further said that Birch sympathizers were instructed to vote for BROWN for Governor of California, to prevent a Republican moderate such as NIXON from getting this post.

[] noted that the Birch Society "plays the Communist game either intentionally or otherwise" by sowing distrust of national leaders with its ridiculous claims that many of them are pro-Communist.

[] speculated upon the possibility that the Birch Society could even be a "Communist front," and he noted the similarity of organization with cells or groups not knowing the identity of members in other cells, with leaders chosen from above and not by the membership, with policy set by the leadership and no chance of choice or opposition by the membership, with disbursement of funds also determined by the leadership. [] noted that the above similarities are in addition to the undermining of faith in our democratic processes, our foreign relations, and our handling of domestic problems.

[] stated that he was particularly disturbed to note the influence wielded by the John Birch Society as disclosed by an experience reported in the Ladies Home Journal of April, 1964. This magazine ran a story in a prior issue. WELCH in his Birch Society Bulletin allegedly was highly critical of the story. Thereafter, the Ladies Home Journal reported that it received a flood of letters which were analyzed in an article in the April issue. This analysis noted that many of the letter writers admitted that they had not even read the story in the prior issue, however, they frequently used quotations from WELCH'S criticism of the story and were almost all highly critical of the magazine for running

JOHN BIRCH SOCIETY

the story. [] expressed the opinion that it is time to be concerned about the power of a group, such as the Birch Society, when it can arouse such a volume of pressure mail to a publication over such an insignificant matter as this. He felt that it was safe to assume that the pressure that would be exerted in a more important set of circumstances would be much greater.

[] said he was submitting the above data and observations with the hope that the activities of the John Birch Society could be completely investigated by the Federal Bureau of Investigation as a threat to overthrow our present form of government.

On May 16, 1964, Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that on that date, approximately one hundred individuals, identified by representatives of BSS to be members of the John Birch Society, picketed the NYCPD headquarters, 240 Centre Street, Manhattan, New York. The demonstration lasted for one hour, beginning at 3:30 PM and terminating at 4:30 PM. Detective [redacted] advised that no reason is yet known why picketing took place but from signs and placards carried by pickets, it appeared that members of Society were pro-Police Department. One sign stated "men in blue are fine" and none of other signs were critical of Police Department.

The pickets peacefully dispersed with no incidents or arrests.

[redacted] advised that out of curiosity he was planning to attend a meeting of the John Birch Society if invited to do so and would report results to the Buffalo Office. [redacted] expressed himself as being a very patriotic person, but stated he is opposed to ultra-right organizations such as the John Birch Society as much as he is opposed to Communism and other isms.

Buffalo files reveal that one [redacted] signed a nominating petition of the Independent-Socialist Party in 1958. It is not known if he is identical with the [redacted] mentioned above.

According to Buffalo files, [redacted] reportedly was a member of the John Birch Society in 1962.

On 5/19/64, Mr. [redacted] telephonically advised SA [redacted] that on that date he was telephonically contacted by [redacted] who invited Mr. [redacted] to attend a meeting of the John Birch Society at 8:00 p.m. in a [redacted]

Also to appear on the program were [redacted] each of whom according to [redacted] of the John Birch Society. [redacted] said that he was planning to attend the meeting and would furnish any pertinent information obtained to the Buffalo Office.

On 6/2/64, Mr. [redacted] advised SA WILSON that he attended the aforementioned meeting which started at 8:45 p.m. and terminated at 11:30 p.m.. Following the meeting several of those in attendance had refreshments at [redacted] New York. [redacted] The scheduled filmed talk of ROBERT WELCH was not given. Two 15-minute filmed talks by DAN SMOOT were shown. [redacted] the movie projector. The talks by SMOOT were a condensation of "The Dan Smoot Report" and during his talk SMOOT read frequently from the report. He spoke of the Yalta doublecross and the U.S. Department of State policy with regard to Viet Nam.

Following the films there was a question and answer period, most of the questions being asked by [redacted] [redacted] learned that [redacted] of the John Birch Society and travels about Western New York in a Volkswagon automobile giving talks and selling John Birch Society literature and records from a mobile library. [redacted] said that the John Birch Society wants only eight or ten persons in the club as a security measure to prevent infiltration. He mentioned that the Society has many groups located throughout the U.S. Membership dues are \$24.00 per year and life memberships are also available. Funds for this organization are raised by the sale of literature and donations. It was mentioned that

of the fact that attendance at the above meeting was small.

Following the discussion, [redacted] made available
John Birch Society literature for sale. Mr. [redacted]
purchased a paperback book captioned "None Dare Call it

Fact of complaint

Mrs. [REDACTED] described [REDACTED] at Harlingen for the Caller-Times of Corpus Christi. She said that she had hear-say reports of Anti-Semitic literature being put out in the Rio Grande Valley. She stated that some lecturer, who had been in a Russian concentration camp had been introduced into one of the Valley schools; and she said she understood that this lecturer had been brought into the Valley by a John Birch or other "study group".

Mrs. [REDACTED] was thanked for her call and was courteously advised that the FBI can furnish no information to the public. She was asked, if she found in her general newspaper inquiries, anything which she felt should be known to the Government, she would call the FBI and make it available. [REDACTED] said she would.

[REDACTED] gave the impression that she did not know what she was talking about; and was fishing for information.

On 10/21/63, [REDACTED] furnished the writer an oral report which was subsequently transcribed and thereafter acknowledged by Informant on 10/24/63. This report is located in [REDACTED] and contains the following information: (X)

On October 20, 1963, a meeting of the Young Democrats of Bexar County was held at the Guntor Hotel in San Antonio, Texas. The purpose of this meeting was to hear a man named BOB MOORE speak concerning the John Birch Society and also to listen to another speaker give opposing views. There were about seven members of the Young Democrat group present and about 70 other individuals who appeared to be favorable to MOORE's side of the argument. (X)

MOORE said that he was President of the John Birch Society in San Antonio and that he was a retired sergeant from some military branch of the service. His topic was "Is the John Birch Society a Threat or a Help to America," and he talked against communism. (X)

MOORE made the statement that General HESTER, connected with the Defense Department, was a communist. He also said that PIERRE SALINGER's parents were card-carrying Communist Party members. Throughout his talk he called U. S. Attorney General ROBERT KENNEDY by the name of BOOBY KENNEDY and said that the Attorney General was pro-communist and would never bring a communist to trial. MOORE also stated that the Communist Party drafted, supported, and got Senator JAVITS from New York elected. During his talk MOORE implied that if a person is not for everything the John Birch Society stands for, he is a communist. (X)

TRENT CHEYNEY, a member of the Young Democrat group, was the speaker for the other side of the question. He talked on his ideas of the misconception of the John Birch Society theories, pointing out that group does not believe in a democratic form of government. During MOORE's talk he mentioned there were thousands of communists in the United States. To refute MOORE, CHEYNEY referred to FBI Director J. EDGAR HOOVER's book entitled Masters of Deceit regarding the number of communists in the United States which stated there were many less than the amount MOORE had contended. CHEYNEY said he had great respect for Director HOOVER and believed he knew more about this matter than MOORE did. (X)

Later during the discussion a spectator referred to CHEYNEY as a communist and CHEYNEY emphatically denied that he was one. (X)

During the discussion MOORE said that the Attorney General should see all 10,000 communists in the United States and send them without trial because they stand for some repugnance to him as a member of the John Birch Society. (X)

U. S. Representative from Texas, HENRY B. GONZALES, was present briefly at the first part of this meeting but left before MOORE got into his talk very far. (X)

TO : SAC

DATE: 1/27/64

FROM : SA [REDACTED]

SUBJECT: JOHN BIRCH SOCIETY
KERRVILLE, TEXAS.
INFORMATION CONCERNING

On 1/27/64 Mr. [REDACTED] advised that approximately one to two weeks ago, a group of persons, approximately 75, met at the American Legion Hut, San Antonio Highway, Kerrville, to see three films on the JOHN BIRCH SOCIETY and to listen to a lecture by its organizer, FNU WELCH. He stated that he attended this meeting and from the lecture and questions discussed from the floor, it appears to him that such a group will probably be organized in Kerrville.

He said the speaker (probably WELCH) stated that a group now exists at Fredericksburg, Texas, and if it is decided to organize a group in Kerrville, that the leader of the Fredericksburg group will contact those interested and assist in the organization of the Kerrville group. Mr. [REDACTED] said he did not know the name of the leader at Fredericksburg.

He said he did not know the name of the party that initiated or headed the group that met at the American Legion Hut, but believed it was a woman who works at the Piggly Wiggly Store in Kerrville - possibly a checker or cashier. He said he also felt that probably [REDACTED] Attorney, Kerrville, Texas (residence [REDACTED] office, [REDACTED]) would be behind the meeting, since he is well-known as a "fighter against Communism". He said however that [REDACTED] was not present at the meeting, because of poor health.

He said he probably would be notified if such a group is organized in Kerrville.

(Reference is made to SA 105-2356, "MINUTEMEN" on other information furnished by [REDACTED], who is considered stable and reliable)

[REDACTED] is staunch supporter of the FBI at the University of Colorado. He has defended the Bureau consistently when critical professors and students at the University have delivered attacks against us. He is a contact of the Denver Office at the University.

[REDACTED] was in town and came to see me Wednesday. I took him to luncheon and arranged a tour of the FBI. During the course of this tour, he commented most favorably on the work of the Director and the FBI. It is evident he is a very sincere supporter of our efforts.

[REDACTED] gave a lecture at the "Washington School of Anti-communism," held at the International Inn, while he was in the city. This school is connected with the Dr. Fred C. Schwartz movement. However, [REDACTED] is not in any way a political extremist. While he is definitely a conservative, he is a scholarly one and should not be identified with extremism. As a matter of fact, he was critical of such activities to me during our luncheon conversation.

[REDACTED] did have some interesting comments to make to me about Robert Welch, founder of the John Birch movement. He told me he knew Mr. Welch when he was at Harvard University and has talked to him on different occasions in some detail. He said Welch was very embittered at the death of Joseph McCarthy and blamed ex-President Eisenhower and his policy for this. Further, Welch told [REDACTED] he intended to start a movement which would result in his being elected to the U. S. Senate, where he would carry on the work of Joseph McCarthy. Following this, he would expand his activities and launch a campaign for the Presidency of the U. S. Welch said to [REDACTED] he believed the only way communism could be stopped in this country was for himself or somebody like him to be elected President of this country, and he thought he had a good chance to be elected following a Senatorial career. [REDACTED] pointed out Welch was dreaming very badly on this matter and, of course, he never did get started in this direction, meeting one rebuff after another.

[redacted] himself was born in [redacted] and is a naturalized U. S. citizen. [redacted] told me he does have this [redacted] name at home and will send it to me. He further said he will reply to this [redacted] Press Attache, who says he will be going to Colorado this summer, and will arrange to meet him and draw him out to see what it is he desires of [redacted] will then promptly advise the Bureau of what transpires.

[redacted] also asked me to extend his personal best wishes to the Director. He said he has always greatly admired Mr. Hoover and some day he hopes he will have a chance to at least shake hands with him and tell him so personally. I might add that if [redacted] had not been lecturing at the Schwartz-connected school of anticommunism, I would have sent through a memorandum suggesting the Director give consideration to shaking hands with him while he was in the city. However, because of this connection, I thought it would be well to pass over this matter at this time.
